What do we produce⁵

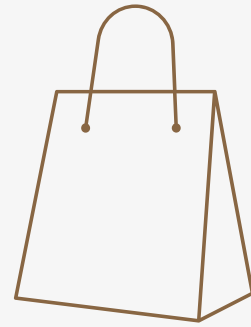

Paper Bags

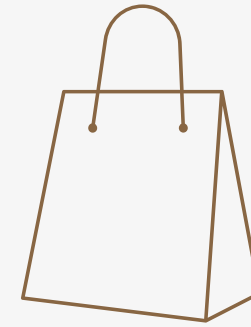

Printed Kraft Paper Bags are environmentally friendly products. We produce it for you in minimum quantities with your logo printed on it.

STOCKY'S

By printing their logos and names on kraft bags, companies are in a sense making their advertisements circulate on the streets. Let's say brand image, you say brand awareness. Not every company has to advertise on billboards or make their voices heard from giant billboards in order to advertise outdoors. Let your advertisement roam the streets with both stylish and functional kraft bags. As Tissue Factory, we can print your logo in small quantities on kraft bags. While doing this, we provide very fast deadlines
